General Meeting Attendance Policy

January 1, 2009

General Membership meetings are held on the first Tuesday of the even numbered months of the year.

Each member may miss one meeting of the six held during a calendar year. The second meeting missed is considered the first offense and will result in the member's listing on the website(s) to be removed until attendance at the next General Meeting. A third missed meeting is a final offense and results in loss of Membership that can only be reinstated by completing a new Membership application and paying applicable dues and fees. Member houses may always elect to send a member representative.
